“To be a good steward is to take good care of a resource or gift. In the church we often think of stewardship as a celebration of God’s generosity and our gratitude”.

This week, Wesley United prepared for the St Andrews Open Door to resume their activities here in the church property; it was not the usual hum that we had come to know. The Open Door had not gathered in person since March and much, as you know in our world has changed. The event was carefully planned and executed by the Open-Door volunteers, procedures documented and given to us; social distancing maintained, masks required, contact tracing and so forth.

Wesley United needs to ensure the safety of all who might be in attendance. Our hosting ministry has changed and a new normal has begun! It is our responsibility to make sure all users of our church building have a plan adhering to the NB Health and Safety Covid-19 Guidelines. This documented plan is kept on file for future reference, if needed.

And who would have thought in March that our offering plate pedestals would be home to hand sanitizer and Clorox wipes instead of an offering plate!

I will admit, I was a bit anxious, but the weather was in our favour and much of the activity took place outside on the sunny side of the church building. Kudos to the Open-Door volunteers who managed a well thought out plan. A huge step for everyone as we begin this new normal of being ever conscious for the safety and well-being of everyone.

Wesley United has been a supporter of the St Andrews Open Door since its inception. Many thanks for your continuing support of the Open-Door program and Wesley United.

Yours in stewardship
Barb
