WE ARE NOT ALONE

I MISS OUR FAMILY.

While I am in total agreement that the borders should be closed for now, it still is difficult not to be able to hug our daughters and grandchildren and tell them how much I love them. Yes, we text a lot, phone a lot, and we use FaceTime, but it's just not the same as being with them. There is nothing like the personal touch and being together with everyone.

I must admit there are times when I get a little sad and feel sorry for myself, but then the phone rings, or we receive an email or a text from one of our daughters or grandchildren or friends and I am filled with JOY. We are not alone.

I firmly believe in the words found in Romans 8, verses 38 & 39; "For I am convinced that neither death, nor life, nor angels, nor rulers, nor things present, nor things to come, nor powers, nor height, nor depth, nor anything else in all creation, will be able to separate us from the love of God." We most certainly are not alone.

When our world seems to be crashing down around us, it is our faith in knowing that God is always with us that carries us through. In his book entitled "Faith," Terry Anderson very simply and meaningfully says;

"Faith's what you find
When you're alone
And find you're not."

We should remember that no matter how we gather, we are still the church.

JOY!
Dave (King)
